

June 1, 2013

Dear Sirs,

## Notice of Production stoppage of Cam Follower

### 『CF(H) 12~30,-B Types』

We are glad to hear that things are going well for you, and thank you so much for your trust and patronage.

We have been developing something better with our Linear Motion Systems for the first time, and various developed products by changing the model so that we have introduced many new products into the world-wide markets.

At this time, we would like to make an announcement that the production of the machine tool Cam Follower 『CF(H)12~30,-B Types』 will be suspended so that we have fully integrated with 『CF(H)12~30-AB Types』 as substituting product .

We notify more detail schedule of production stoppage as follows.

We would like to take this opportunity to thank you your past patronage with 『CF(H)12~30,-B Types』, and continue your patronage with 『CF(H)12~30-AB Types』 .

We will exert our fullest efforts to continue for supplying better products into the market and thank you in advance for your understanding and cooperation.

Yours truly,,  
Junji Shimomaki
